

SARAH'S 5TH ANNUAL FOOD DRIVE October 1st-5th The North Leaside vs. South Leaside School Challenge!!

My name is Sarah, I am 10 years old. This year I will be organizing my 5th annual food drive. My 6 year old sister, Claire, is helping me too.

I started this food drive four years ago. One night during dinner, I told my mom that I was full, even though I still had lots of food left on my plate. My mom told me that there were people that lived five minutes away from us that didn't have food for dinner and that we were so fortunate that we did. Minutes later, we heard on the radio about the Thanksgiving Food Drive for the Daily Bread Food Bank. They were in need of a lot more food and were asking people to donate. This made me really sad and I told my mom that I wanted to do something to help, so I decided to start my own food drive.

In the past four years, we have raised a total of 7,500 pounds of food for The Daily Bread Food Bank.

This year, we have set a goal of raising 12,000 pounds of food!!!

THE CHALLENGE - HOW DOES IT WORK?

Last year, I challenged my school at Northlea for one week to bring in food for the Daily Bread Food Bank. This year I want to challenge both Bessborough and Rolph Road to see if they can raise more food donations combined than Northlea.

The North Leaside vs. South Leaside School Challenge will run from October 1st - 5th. Specific details about the challenge will be communicated to students by each school.
